

# HOW TO BLOCK CHANNELS ON YOUTUBE

If you are someone trying to present yourself on the internet, YouTube is a great platform, but like any platform, it comes with unwanted people. Here is a guide on How to Block Channels on YouTube.

## Why Block Someone?

Haters are not always trolls or people who try to sabotage you. Sometimes they just hate because that is what they do. You might think that if they don't like the video, why are they wasting time watching it and making comments? That is why, when YouTubers are fed up with these occasions, it comes to blocking the channel.

## How to Block a Channel From a Desktop

- **Log into your YouTube account and look for the account you want to block.**
- **Click on the account, then go to their channel's 'About' section. It is also known as a banner.**
- **Click on the flag icon on the right side of the page.**
- **From the drop-down menu, select 'Block user.'**
- **Lastly, click on 'Submit' to block the user from commenting on your videos.**

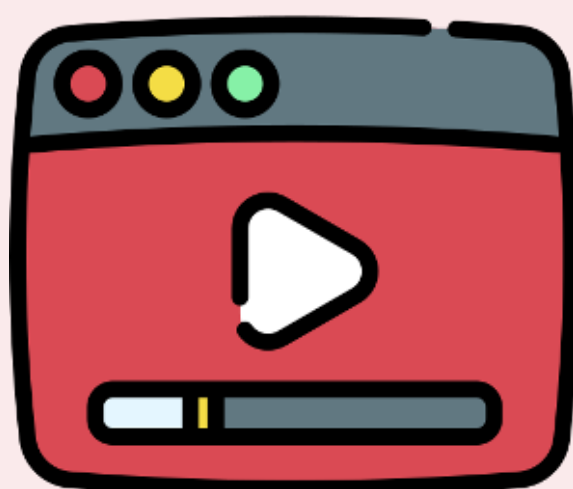

## How to Block a Channel From a Mobile Device

- **Open the YouTube app on your device.**
- **Find the account you want to block. You can use the search bar too.**
- **Click on the account to view its page.**
- **Tap on the three-dotted button on the upper right side of the screen and select the 'Block user' option.**

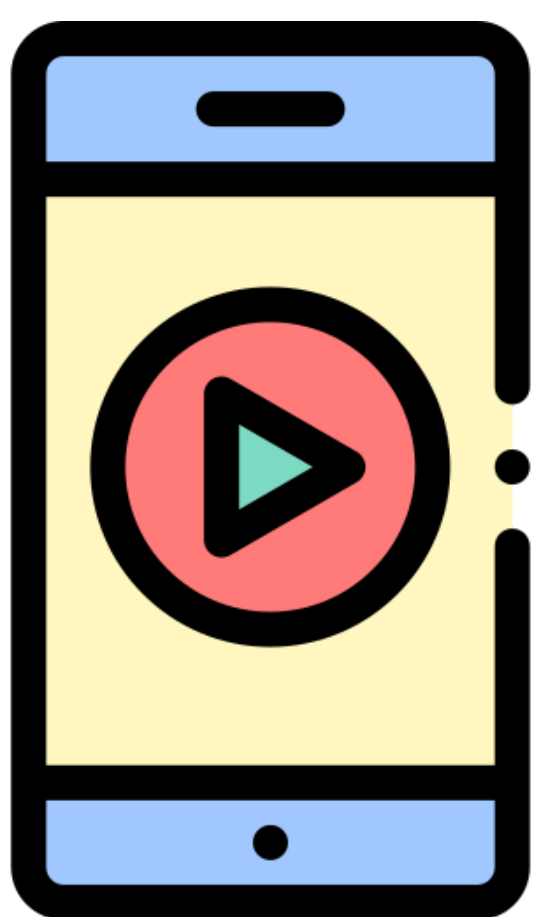

**If you wish to block a channel but can't, you can block the recommendation function.**

## **How to Block a Channel Recommendation From a Desktop**

- **Open YouTube on your computer.**
- **Find a video that you don't want to see.**
- **Click the "Three Dots" button. You can see it near the video title.**
- **Click the "Don't Recommend Channel" button.**

## **How to Block a Channel Recommendation From a Mobile Device**

- **Open the YouTube app from your mobile device.**
- **Find a video that you don't want to see again.**
- **Tap on the "Three Dots" button.**
- **Tap on the "Don't recommend channel" button, and you will not see the videos from that channel again.**

## **What Happens When You Block a YouTube Channel?**

- **When you block YouTube channels, the channel owners can't comment on your videos, and if they commented before you blocked them, the comments would be hidden from your videos.**
- **If you block video recommendations from a channel, you will not see the videos that this channel uploads, and also it will affect your YouTube recommendation page.**
- **You will not receive any notifications from each other.**
