

HOW TO DELETE INSTAGRAM MESSAGES

After messaging someone, you may want to delete messages on Instagram. You can find the details on [how to delete Instagram messages](#) below.

What Does DM Mean on Instagram?

DM means direct messages on Instagram. In other words, it is a chat feature of Instagram. If you still don't know how to access it, tap the Messenger icon on your feed screen.

How to Delete a Conversation on Instagram

1. Go to the Instagram app and log in to the app with your username and password.
2. Then, go to Instagram Direct, which is on the upper side of the app. The Messenger icon is the symbol of it.
3. Find the conversation you want to delete. On iPhone, swipe left to delete it. On Android, delete the conversation by tapping and holding.
4. Lastly, the app will ask for your confirmation on deleting the messages. Click on "Delete" and complete the procedure.
5. All your messages with that person on Instagram will be deleted permanently.

How to Unsend Messages on Instagram

1. Open the app and log in with your Instagram account username and password.
2. Go to Instagram Direct, which is on the app's upside. Go to the message that you want to delete.
3. Tap and hold the message. You can see two options after you hold it: Copy or Unsend.
4. Click on unsend and confirm it. Your message will be deleted. The other user will not be notified when you unsend a DM.

How to Delete All Instagram Messages at Once

- You can not delete all messages at once on Instagram.
- You can delete messages one by one.
- There are third-party applications to delete all messages; however, there can be safety issues. Don't share your password!
